Riders Key Information

Please Help Us, To Help You!

The more information riders can provide to the OC before the show, the smoother your arrival will be! Please ensure you notify us of any specific requests relating to the below at the time of your entry or by 4 August 2023:

- Stabling requests
- Specific requests for Stallions
- Out of hours arrivals (ie. Ferry or onward travel) (please note we cannot guarantee that we can accommodate these)
- Changes of entries must be received no later than 11th August 5pm

All riders within the FEI stables must have downloaded the FEI App in advance of the show and completed all necessary biosecurity information (e.g. recording your horse's temperature in advance). This is a crucial requirement for us to be able to ensure the health and safety of all horses onsite.
